ORDER

KATHERINE B. FORREST, District Judge:

The Court has received three complaints raising similar allegations against an overlapping set of defendants. The Court intends to hold a single initial pretrial conference (“IPTC”) in all three actions (and any other related actions that are filed before this Court). The IPTC will be held on **September 29, 2017 at 1:30 p.m.**

The parties in the above-captioned actions shall confer on the following:

1. The possibility of, and timing of, the filing of a consolidated amended complaint (if one is filed, such filing should be not later than 30 days following the IPTC);
2. Based on the timing of No. 1, the timing of any answer/responsive motion practice; and
3. The possibility of, and timing of, a motion for lead counsel.

In addition, the Court has received three identical letters filed in each of the above-captioned actions requesting an extension of time for the Arconic Defendants to answer, move or otherwise respond until after court-appointed lead plaintiff(s) file or identify an operative complaint. Defendants’ application is GRANTED.

Finally, unless and until a master file number is established for this case, all future filings should be filed on all three dockets.

SO ORDERED.
